

High Fives!

For those who go the extra mile!

A BIG THANK YOU to Tania Wenzel!! Tania was hired in March of 1990 as a Home Health Nurse. In 1993 she transitioned into a Public Health Nurse position. Then began to fill in at the jail as needed. This developed into a singular jail position where she has been a part of the nursing team since the mid-1990s. Tania has given great leadership to the nursing team and deputies over the years. Her “shoes” will be hard to fill and she will be greatly missed! *Diane Nelson*

Human Services would like to give a big high five and shout out to Jerry Haferman! He recently on his own time, on a Saturday, organized and was the M.C. for a bowling tournament. It was a very fun event that many people participated in due to Jerry’s engagement skills. Jerry raised over \$2,000; half of these funds went to NAMI Jefferson and half went to the Zero Suicide Coalition.

Thank you Jerry for going above and beyond! And for making it fun! *Kathi Cauley*

2 High Fives!

One for Erik Coonen and Greg Koeppel for supplying us with their large forklift to unload our new mechanical equipment. Greg and Erik came through at the last minute to help us assist our mechanical contractor by taking delivery on our new AC units. The Human Services staff will appreciate the new AC system for many years to come. Thanks for jumping in and helping to keep this project rolling!

The other for the Parks Department for assisting with the bike trail closures during construction of the Lueder Haus retaining wall. During the rebuild process so far, the Parks Department has closed and relocated the bike trails to keep trails open and safe for all users. Thank you! *Ryan Mundt*

The High Fives! Page is a way for peers to recognize a colleague and offer appreciation and gratitude. A way to say “Thank You” for a job well done.
